Re: Wake County Democratic Party Federal Campaign Committee
FEC Identification # C00559856

Dear Mr. Vuong

This is in response to your letter dated April 15, 2015 concerning the Year-End Report covering 11/25/2014 - 12/31/2014 of the Wake County Democratic Federal Campaign Committee (the "Committee").

1.) You have asked about transfers to the Committee's nonfederal account. As indicated in the Committee's response to your letter dated October 15, 2014 concerning the August Monthly report, the Committee identified and promptly refunded the portions of Byron Johnson's salary and payroll tax payments that were incorrectly reported on Schedule H4 to its nonfederal account. Additionally, the Committee identified subsequent salary and payroll tax disbursements to Byron Johnson that were incorrectly reported on Schedule H4 and promptly refunded those portions of the transfers to its nonfederal account.

2.) You also have asked about the Line 18(a) and Line 21 (a) (ii) numbers for the Committee's Amended 12 Day Pre-General (10/1/2014 - 10/15/2014), received 12/16/2014, Amended 30 Day Post-General (10/16/2014 - 11/24/2014), received 01/30/2015, and Year-End (11/25/2014 - 12/31/2014) reports. As indicated above, the Committee identified salary and payroll tax disbursements to Byron Johnson that were incorrectly reported on Schedule H4. The committee promptly refunded those portions of the transfers to its nonfederal account and amended the reports affected by the correction. Transfers for the allocated activity were made within the 70-day time period.

3.) Finally, you have asked about payments on Schedule H4 for salary and payroll taxes. The staffer spent 25% or less of her time during the period referenced above on federal election activity or activities in connection with a federal election.

I hope that this information adequately answers your question.

Sincerely yours,

Susan Monsell
Wake County Democratic Party Federal Campaign Committee
